I have obtained authority to extend the tolling period through July 29, 2016, and have attached a proposed extension for your review. With the exception of the dates, there are not intended to be any changes to the attached agreement from prior versions.

If your client is amenable to the proposed extension, please have the appropriate representative complete and sign the attached and return a copy to me by email no later than January 20, 2016, and the original by United States Postal Service first class mail or by overnight delivery. Early return of the attached will be most appreciated. Please use the following addresses for first class mail and for overnight delivery:
